

## **PARENT CHECKLIST - COMPLETE ALL FOUR STEPS ASAP!**

### **STEP 1**

#### **REGISTER YOUR PLAYER AT [WWW.ROCKYFOOTBALL.COM](http://WWW.ROCKYFOOTBALL.COM)**

Please register your player ASAP at <https://www.rockyfootball.com> so we have them in the system. Payment plans are available - finances should never be a reason your son doesn't play football. **IMPORTANT:** When you register your son to play football it will ask you for your player's email address. Coach Criner will use that email address to add your son to Hudl (see step #3). Please make sure the email you put down for your player is a correct address that they can access for the invite and to login to Hudl. It is better for your son to have and use his own email. If that isn't an option & you use a parent's email, your son will need to be able to use and access that email for Hudl.

Registration questions? Contact Lori Edwards at [Lori.Rockyfootball@gmail.com](mailto:Lori.Rockyfootball@gmail.com)

### **STEP 2**

#### **PARENTS DOWNLOAD THE TEAMSNAPE APP AND LOGIN USING THE SAME CREDENTIALS YOU CREATED WHEN REGISTERING AT ROCKYFOOTBALL.COM**

Every parent needs to download the TeamSnap app and login using the credentials you created when registering at Rockyfootball.com. TeamSnap is used for all communication to parents during the year. TeamSnap will give you access to all game schedules, volunteer schedules, Rocky events, transportation information, announcements and more.

### **STEP 3**

#### **MAKE SURE YOUR PLAYER HAS HUDL DOWNLOADED ON HIS PHONE**

Hudl is the app that Coach Criner and staff use as the main source of communication for the players. Your player **MUST** have Hudl downloaded and use alerts and/or check it often. **EVERYTHING** they will need to know will be sent through Hudl.

HUDL

**IMPORTANT:** When you register your son to play football at rockyfootball.com it will ask you for your player's email address. Please alert your player as to what email you put down for them as this is the key to get them connected to the team in Hudl. If they don't have an email and you use a parent email please look for the Hudl invite and make sure your player is logged into their Hudl app with that same email. **YOUR SON WILL NEED TO GET USED TO CHECKING HUDL DAILY.**

### **STEP 4**

#### **ORDER REQUIRED ITEMS IN THE TEAM STORE:**

<https://bsnteamsports.com//RkYfB242> - If the link doesn't work, visit @gorockyfootball on Instagram and click on the link in our bio.

You will see "REQUIRED" by the items you must order. Items without the "REQUIRED" text by them are optional and parents are welcome to order these items as well. IF YOU ALREADY OWN A PURPLE GAME DAY POLO SHIRT YOU DON'T NEED TO ORDER A NEW ONE EACH YEAR. **FRESHMAN: You DO NOT need the Sleeveless Comp Shirt.** Practice Jerseys: Order black for defense, white for offense. Pick one if unsure and we can swap them out once position is decided. We recommend ordering more than one set of workout t-shirts and shorts since they wear them in the weight room daily.
